Be with me in the hour of death, My faint--ing, faint---ing
Let me thy pow'r--ful suc---cour share, And guard me by thy
spi------rits cheer, Thy rod and staff shall guard the road;
migh----ty arm, In nights de-fence----less mo--ments keep, And
Soon shall I wake and see my God! And find my Saviour there, And
grant me sweet re--fresh---ing sleep, And shield from ev'ry harm, And
find my Sa---viour there.
shield from ev'---ry harm.
